Epilepsy Resilience Scholarship

Your story is one of resilience. Your dreams are worth pursuing. Epilepsy does not define your future.

Application Deadline: March 25, 2027 **Awarded: April 2, 2027**

Eligibility

To celebrate the resilience, determination, and perseverance of students living with epilepsy, we are proud to offer four Epilepsy Resilience Scholarships to support students pursuing higher education or vocational training. Epilepsy may present challenges, but it does not define a student's potential or future. We encourage eligible students to apply and let us celebrate their journey and support the next step toward their future.
