

LOCAL SPONSORSHIP OPPORTUNITIES

ABOUT THE WALK FOR EPILEPSY

The WALK FOR EPILEPSY® is a family-friendly community event supporting those living with epilepsy in their fight against the struggles that come with their diagnosis. All proceeds go to life-changing, essential services and programs such as free outreach seizure clinics, emergency medications, mental health counseling, youth development programs, support groups, and more. Regardless of the level, your sponsorship will play a significant role in making this event a success and supporting those affected by epilepsy. Your contribution is integral to our cause.
